September Recap!

The Green Dot Spot

In August, we made an appearance at the Downtown Grand Forks Street Fair to spread the word about Green Dot!

The weekend brought in an estimated 660 table visitors, as well as 175 proactive Green Dots written down and added to the Big Red Dot display.

Recent Trainings

Our two recent Green Dot trainings included a Green Dot overview for CVIC staff, as well as a *Beyond the Bedside* bystander intervention training with the healthcare workers of Altru!

we trained...

65

Altru staff members

47

CVIC staff members

in total!

"It is always a pleasure to share the Green Dot strategy with organizations that do so much for our community. CVIC participated in an overview training in August, followed by a staff training with Altru in September. It was incredible to see how engaged their staff were with bystander intervention and how eager they were to put proactive green dots into action."

Caleb, former Green Dot Coordinator

Domestic Violence Awareness Month

October is Domestic Violence Awareness Month.

This month, we believe it is especially important to show up for our community through proactivity. Whether that's supporting those affected by domestic violence, spreading awareness about interpersonal violence, or completing Proactive Green Dots - it takes the effort of many to create positive change.

*"Our humanity makes us each a part of
something greater than ourselves."*
