Domestic Violence Awareness Month - October

Domestic Violence Awareness Month sheds light on the issue of domestic violence in our community. During this month, we want to encourage others to recognize their role as potential bystanders and learn how to intervene safely and effectively when witnessing signs of domestic violence. This month provides us with an excellent opportunity to educate communities about the importance of supporting survivors, offering resources, and fostering a culture of empathy and intervention. By raising awareness and empowering bystanders to take action, we can contribute to the prevention and eventual elimination of domestic violence, creating safer homes and communities for all.

To help raise awareness for DVAM, Green Dot GGF is running a Fall Green Dot Giveaway for anyone new who follows our social media throughout the month of October. Encourage friends and family in the Greater Grand Forks area to follow us @GreenDotGGF for a chance to win.

Future Bystander Training Inquiries

Green Dot GGF can also bring this Bystander Intervention Training or a shorter Green Dot Overview directly to your organization or business.

GREEN DOT SPOT

The Green Dot Spot was an event that featured a booth at the Downtown Street Fair on August 22nd and 23rd to share bystander intervention strategies with the community. The focus at the booth this year was to have those who stopped by fill out a proactive green dot they can do to show that they don't support violence in our community.

Over the course of the event, we had over 1,300 people stop by our table and more than 180 people fill out a green dot! Thank you to those who participated!

Green Dot was also a part of the annual Potato Bowl Parade on September 9th where we handed out over 900 Green Dot GGF stress footballs!

UPCOMING:
