UPCOMING AWARENESS MONTH

Domestic Violence Awareness Month

"Domestic Violence Awareness Month sheds light on the issue of domestic violence in our community. During this month, we want to encourage others to recognize their role as potential bystanders and learn how to intervene safely and effectively when witnessing signs of domestic violence. This month provides us with an excellent opportunity to educate communities about the importance of supporting survivors, offering resources, and fostering a culture of empathy and intervention. By raising awareness and empowering bystanders to take action, we can contribute to the prevention and eventual elimination of domestic violence, creating safer homes and communities for all.

THE GREEN DOT CORE-NER

Our Green Dot Spot event took place on August 19th during the Downtown Street Fair.

During this event, attendees visited all three of our Green Dot booths, consisting of tables for the 3Ds, Proactive Green Dots, and general Green Dot information.

Overall, we had over 500 people visit at least one table and 92 participants that visited all 3 to enter the giveaway! Huge thanks to all who stopped by and participated in our event!

CO-COORDINATOR DEPARTURE

One of our Green Dot Co-Coordinators Haley Beeter is leaving Green Dot for a new opportunity. We are thankful for the time and expertise she brought to our program, and we wish her luck with her new endeavors!

A new Co-Coordinator will be joining Green Dot shortly, so stay tuned for those updates on our social media!
